

Double Slide with Swing VVZ-A007-15-T

VVZ-A007-15-T Double Slide with Swing

Two certified maintenance-free A-frame towers with a ladder climber and a slide, complemented by a hanging swing. You can choose a classic seat or a baby seat. The baby seat includes a bar between the child's legs that prevents sliding or falling out, while also providing back support. The steel structure is weather-resistant thanks to galvanising and a durable powder-coated finish. The HPL material and HDPE plastic used are chemically resistant, UV-resistant, colorfast, non-toxic, recyclable, and shatter-resistant. This eliminates the risk of injury to children from sharp edges or splinters.

Specifications

The Double Slide with Swing VVZ-A007-15-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	5.50 x 3.40 x 2.50 m (L x W x H)
