

Double Slide with Swing VVZ-A009-10-T

VVZ-A009-10-T Double Slide with Swing

Two certified maintenance-free A-frame towers with a ladder climber and a slide, complemented by a swing with a swinging nest seat. The nest seat is suitable for swinging several children at once, including lying down for a different kind of fun, and has a safety suspension with a locking chain. The steel structure is weather-resistant thanks to galvanising and a durable powder-coated finish. The HPL material and HDPE plastic used are chemically resistant, UV-resistant, colorfast, non-toxic, recyclable, and shatter-resistant. This eliminates the risk of injury to children from sharp edges or splinters.

Specifications

The Double Slide with Swing VVZ-A009-10-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	6.80 x 2.70 x 2.00 m (L x W x H)
Max. Fall Height:	up to 0.99 m
Safety Surfacing Area:	10.00 x 7.10 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, HPL, LDPE, rubber, polyurethane, stainless steel fasteners and chains
