

Double-Tower Combined Play Structure - Tall VVZ-VZ1-2-001-10-T

VVZ-VZ1-2-001-10-T Double-Tower Combined Play Structure - Tall

This double-tower combined play structure features a tower with battlements and a low tower, which children can climb via steps or a climbing wall with handholds, and descend using the slide. The steel structure is weather-resistant thanks to galvanising and a durable powder-coated finish. The HPL material used is chemically resistant, UV-resistant - color-stable, non-toxic, recyclable, and shatter-resistant. This eliminates the risk of children being injured by sharp edges or splinters. All joints are made of stainless steel and covered with plastic protective caps for increased durability and safety.

Specifications

The Double-Tower Combined Play Structure - Tall VVZ-VZ1-2-001-10-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	2.50 x 2.70 x 3.10 m (L x W x H)
Max. Fall Height:	up to 0.99 m
Safety Surfacing Area:	5.60 x 6.10 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, HPL, LDPE, stainless steel fasteners
