

Rope Product - Twister VVZ-LP001-T

VVZ-LP001-T Rope Product - Twister

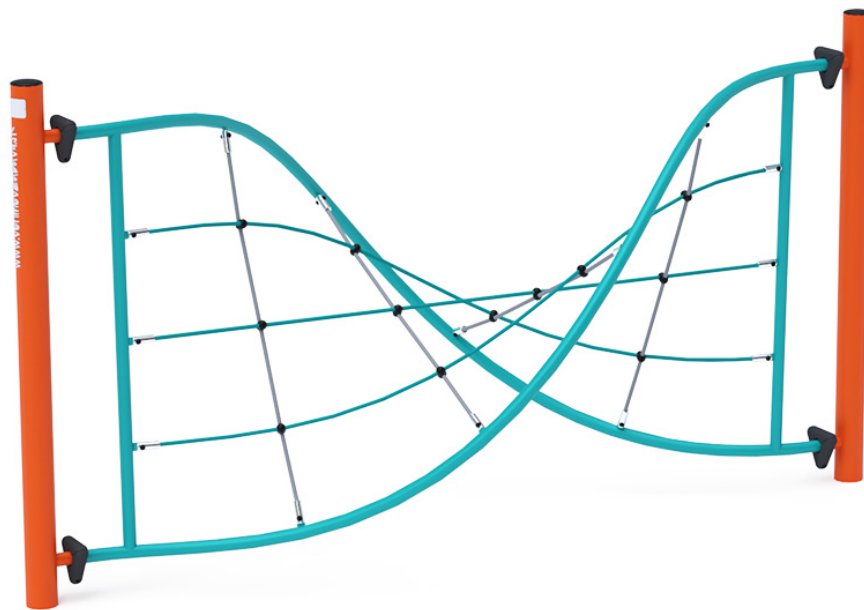

The Rope Twister is an original design from our company Veríme v Zábavu s.r.o. The twisted rope wall gives children the opportunity to train stability, strength, and endurance. This rope play product is made of galvanised steel with a high-quality surface finish, and the joints are stainless steel and covered with plastic protective caps to increase safety and extend the service life of the connections. The ropes are made of polyester fibers wound around a central core. This rope construction increases its strength and resistance to mechanical stress. Polyester itself has many positive properties: it is resistant to microorganisms and weathering, dries quickly after rain, is colorfast, and features high strength. The Rope Twister VVZ-LP001-T is certified according to STN EN 1176.

Specifications

The Rope Product - Twister VVZ-LP001-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	3.50 x 1.60 x 1.70 m (L x W x H)
Max. Fall Height:	up to 2.00 m
Safety Surfacing Area:	6.50 x 4.60 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, Polypropylene rope, Stainless steel fasteners
