

## Monkey trail – Hammock net VVZ-OP1-09-T

### VVZ-OP1-09-T Monkey trail – Hammock net

The monkey trail with a hammock net offers children a space for movement, balancing and rest during play. The flexible rope surface responds to the user's movement and naturally supports balance, stability and coordination. The strong polyester ropes offer high resistance to mechanical stress and weathering. The steel structure with a durable surface finish, together with stainless-steel fasteners, ensures high durability and a long service life in outdoor environments

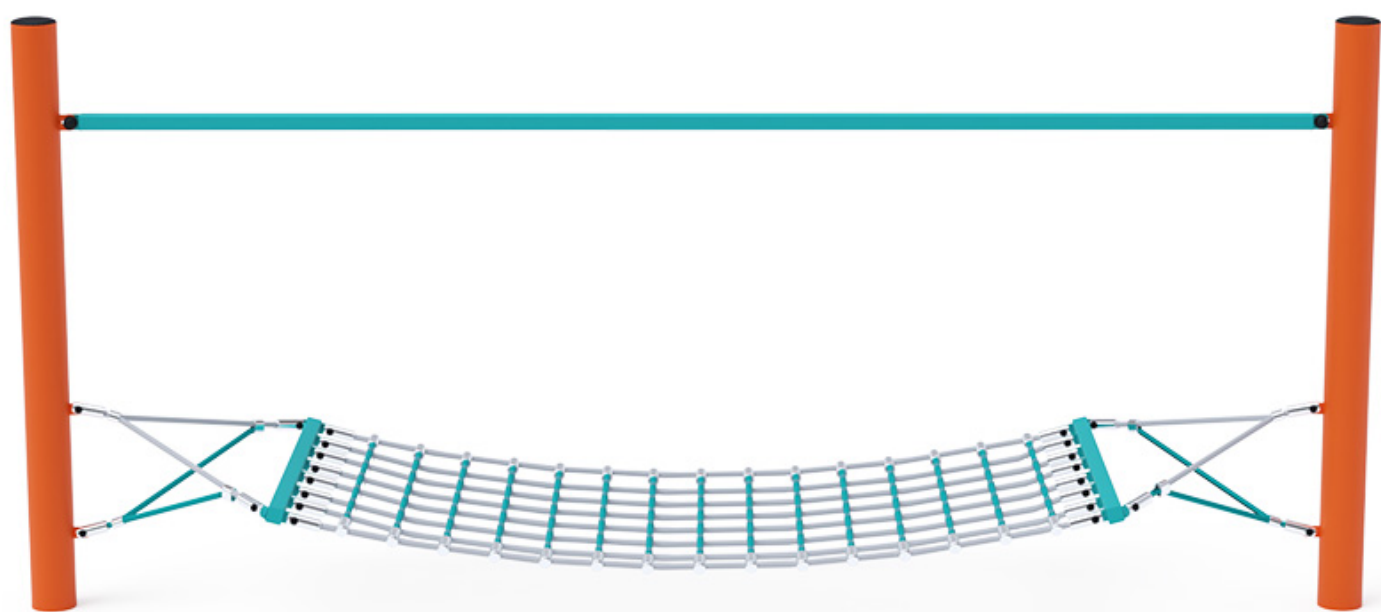

### Specifications

The Monkey trail – Hammock net VVZ-OP1-09-T is certified according to STN EN 1176

|                               |                                                                                       |
|-------------------------------|---------------------------------------------------------------------------------------|
| <b>Age Group:</b>             | 3-14 years                                                                            |
| <b>Product Dimensions:</b>    | 3.30 x 1.00 x 1.50 m (L x W x H)                                                      |
| <b>Max. Fall Height:</b>      | up to 0.99 m                                                                          |
| <b>Safety Surfacing Area:</b> | 6.30 x 4.10 m (according to STN EN 1176-1)                                            |
