

Two-part monkey trail VVZ-OP2-09-T

VVZ-OP2-09-T Two-part monkey trail

The double monkey trail combines a swinging rope with a balance bar, creating two different physical challenges. The swinging rope with a widened foothold allows balancing and swinging, while children move along the narrow balance bar holding onto suspended ropes. Both sections naturally support the development of balance, coordination, stability and overall agility. The steel structure with a durable surface finish, strong polyester ropes and stainless-steel fasteners ensures high durability and a long service life in outdoor environments.

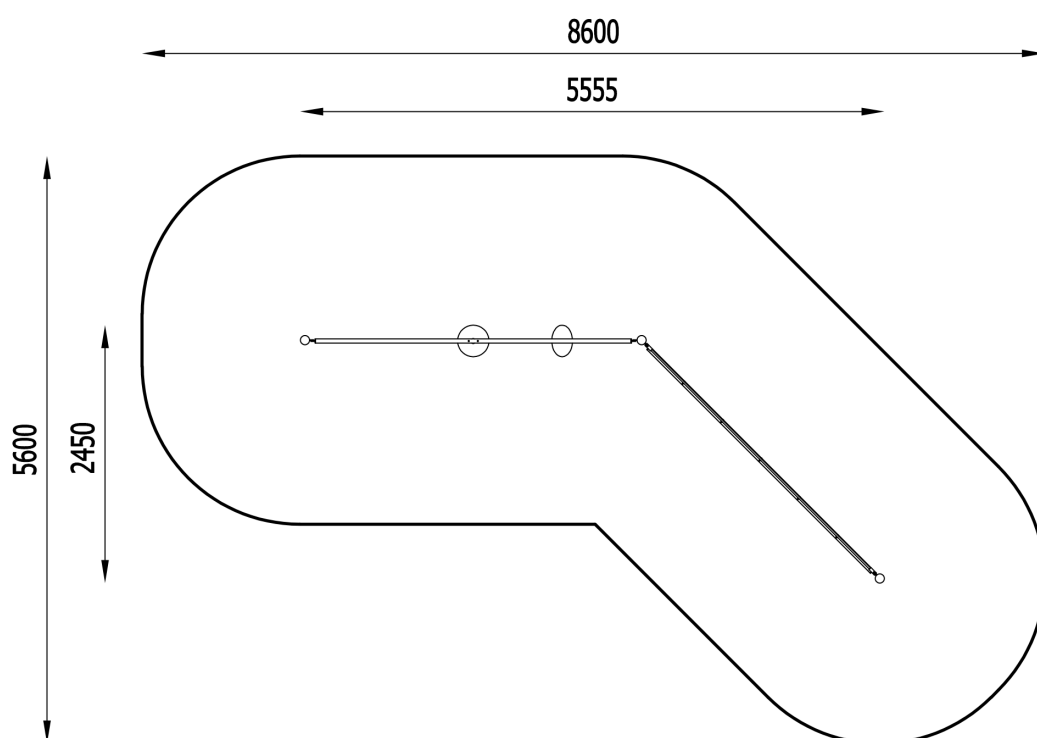

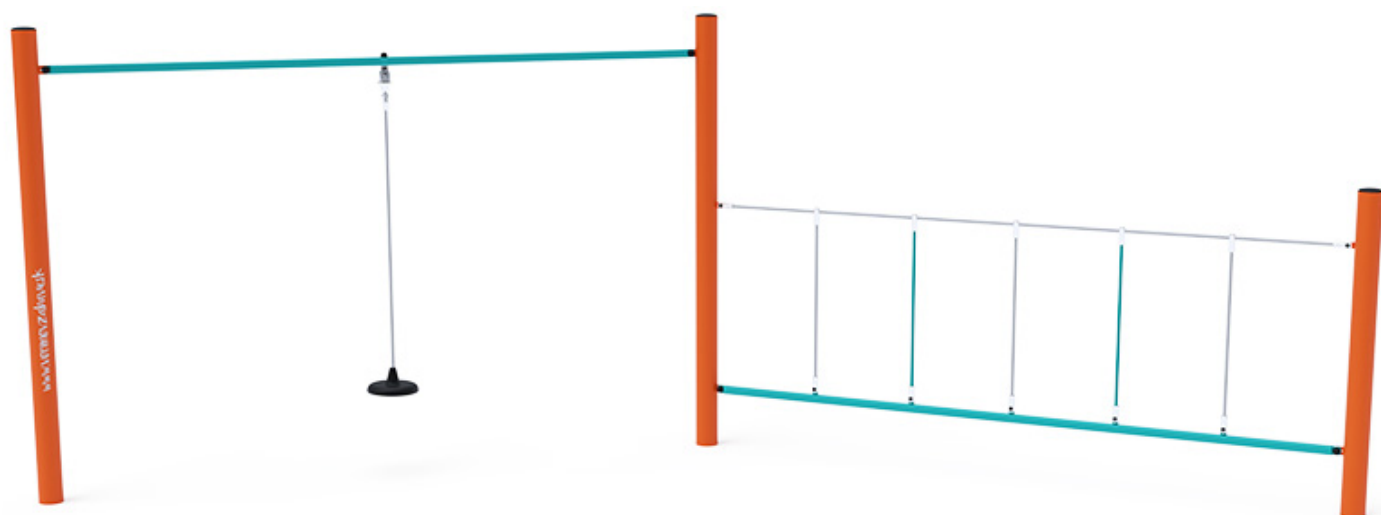

Specifications

The Two-part monkey trail VVZ-OP2-09-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	5.60 x 2.50 x 1.80 m (L x W x H)
Max. Fall Height:	up to 0.99 m
Safety Surfacing Area:	8.60 x 5.60 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, polypropylene rope, rubber, PA, stainless steel fasteners
