

Seesaw on One Leg VVZ-PHP001-T

VVZ-PHP001-T Seesaw

The most fun always comes with a friend. That's why a seesaw should be part of every playground. It helps children learn not only to cooperate, but also to improve coordination and practice their motor skills. When choosing playground products, the selection of materials plays a key role, as it has a major impact on the playground's service life. That is why we focus on quality materials, careful assembly, and compliance with all applicable standards. The HPL material used is chemically resistant, UV-resistant - color-stable, non-toxic, recyclable, and resistant to breakage. This eliminates the risk of injury to children from sharp edges or splinters. All joints are made of stainless steel and covered with plastic protective caps to increase durability and safety.

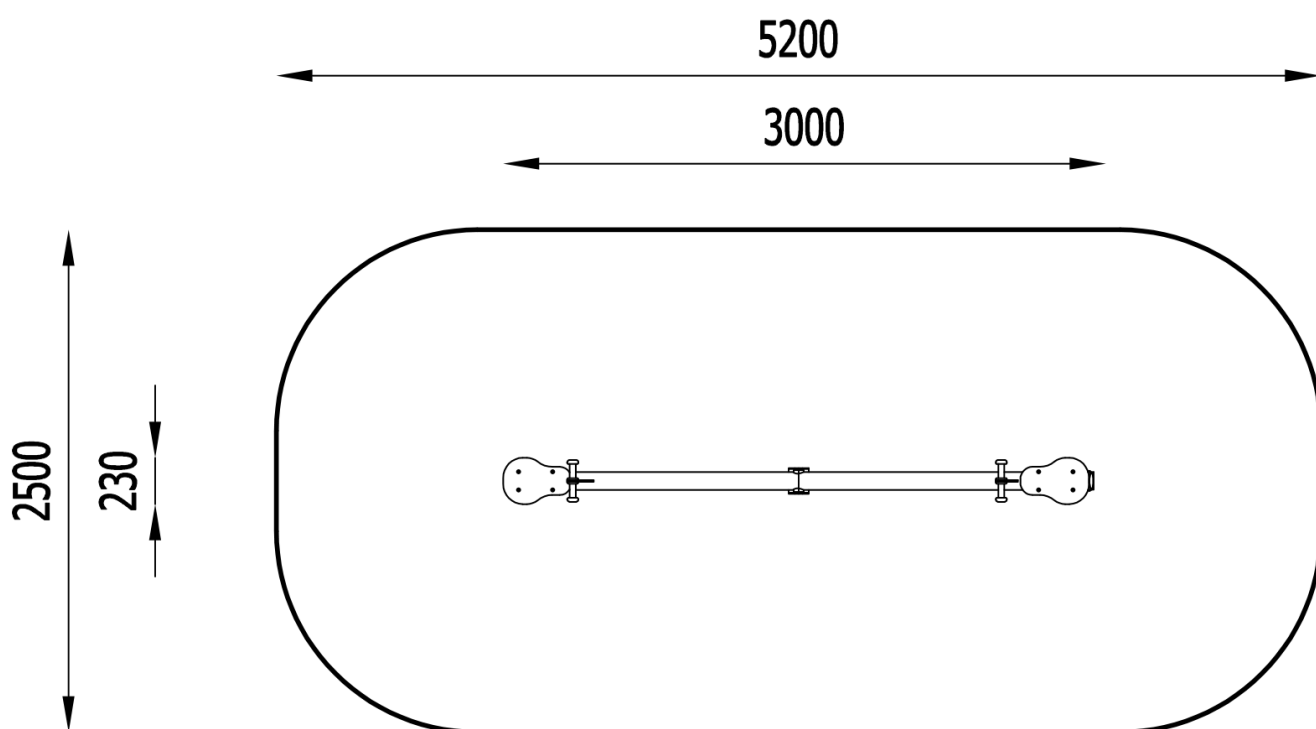

Specifications

The Seesaw on One Leg VVZ-PHP001-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	3.00 x 0.30 x 1.20 m (L x W x H)
Max. Fall Height:	up to 0.99 m
