VVZ-PHP002-1-T Seesaw on One Leg

The most fun is always with a friend. That's why a seesaw should be part of every playground. Thanks to it, children not only learn to cooperate, but also improve their coordination and practice their motor skills. This extended version of the VVZ-PHP002-1-T seesaw lifts the swinging children even higher. When selecting products for a playground, the choice of materials should also play an important role, as it has a fundamental impact on the playground's service life. That's why we focus on quality materials, careful installation, and compliance with all applicable standards.
