

## Rope Carousel VVZ-KL005-T

### VVZ-KL005-T Rope Carousel

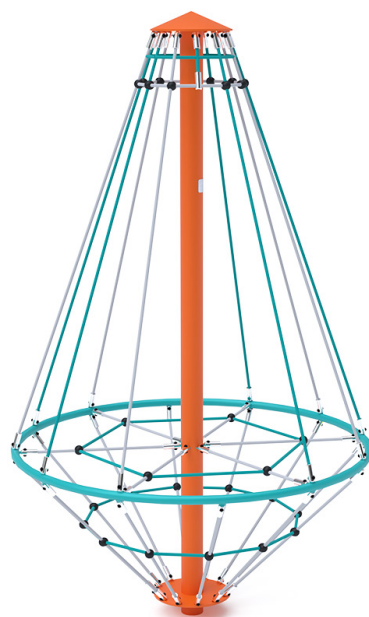

The rope carousel is an ideal choice for bringing fun to both younger and older children. This children's rope carousel is made of hot-dip galvanised steel finished with powder-coated paint. The ropes are made of polyester fibers wound around a central core. This rope construction increases its strength and resistance to mechanical stress. Polyester itself offers many positive properties: it is resistant to microorganisms and weathering, dries quickly after rain, is color-stable, and features high strength. The product is designed with long service life and operational safety in mind.

### Specifications

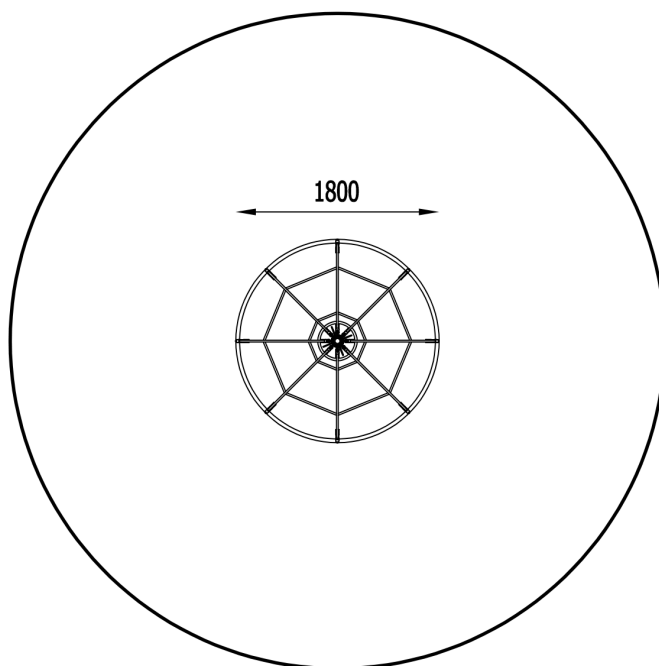

The Rope Carousel VVZ-KL005-T is certified according to STN EN 1176

|                               |                                                                                    |
|-------------------------------|------------------------------------------------------------------------------------|
| <b>Age Group:</b>             | 3-14 years                                                                         |
| <b>Product Dimensions:</b>    | 1.80 x 1.80 x 3.00 m (L x W x H)                                                   |
| <b>Max. Fall Height:</b>      | up to 0.99 m                                                                       |
| <b>Safety Surfacing Area:</b> | Ø 5.80 m (according to STN EN 1176-1)                                              |
| <b>Materials:</b>             | Galvanised and powder-coated steel, Polypropylene ropes, Stainless steel fasteners |
