VVZ-PYR010-T Rope pyramid – 1m

The 1 m rope pyramid is a compact climbing element suitable for younger children, helping them gradually build confidence in movement. Climbing through the different levels of the rope net naturally develops coordination, balance, strength and overall agility. The strong polyester ropes offer high resistance to mechanical stress and weathering. The steel structure with a durable surface finish, together with stainless-steel fasteners, ensures high durability and a long service life in outdoor environments.
