VVZ-PYR020-T Rope pyramid – 2m

The 2 m rope pyramid offers children a more varied climbing net with several levels that encourage gradual progression towards the top. Climbing engages the whole body and naturally develops coordination, balance, strength and agility. The polyester ropes are strong, colourfast and resistant to mechanical stress and weathering. The steel structure with a durable surface finish, together with stainless-steel fasteners, ensures high durability and a long service life in outdoor environments.
