VVZ-PYR045-T Rope pyramid – 4.5m

The 4.5 m rope pyramid provides an extensive multi-level climbing net designed for more challenging climbing and movement at height. Children can choose different routes towards the top while naturally developing strength, coordination, balance, endurance and confidence in movement. The strong polyester ropes are resistant to mechanical stress and weathering. The steel structure with a durable surface finish, together with stainless-steel fasteners, ensures high durability and a long service life in outdoor environments.
