

Tunnel – Beehive VVZ-TU001-3

VVZ-TU001-3 Tunnel – Beehive

This play product, designed as a beehive with a plastic tunnel, is the smallest version in this series of play products. Its themed design stimulates children's imagination. The front and back graphic panels are made of HPL panels, ensuring long service life, color stability, and safety. The HPL material is environmentally friendly, chemically resistant, UV-resistant, non-toxic, recyclable, and resistant to breakage. This eliminates the risk of injury to children from sharp edges or splinters. Fasteners are made of stainless steel.
