

## Long tunnel play structure – Panda VVZ-TU003-2

### VVZ-TU003-2 Long tunnel play structure – Panda

This play product in a panda design with a plastic tunnel is our large-scale version of this series of play products. The play structure consists of three tunnels connected by two rope tunnels. The themed design stimulates children's imagination. The front and rear graphic panels are made of HPL panels, which ensure long service life, color stability, and safety. The HPL material is environmentally friendly, chemically resistant, UV-resistant, non-toxic, recyclable, and resistant to breakage. This eliminates the risk of injury to children from sharp edges or fragments. The ropes are made of polyester fibers wound around a central core. This rope construction increases its strength and resistance to mechanical stress. Polyester itself has many positive properties: it is resistant to microorganisms and weathering, dries quickly after rain, is color-stable, and offers high strength. The fasteners are made of stainless steel.

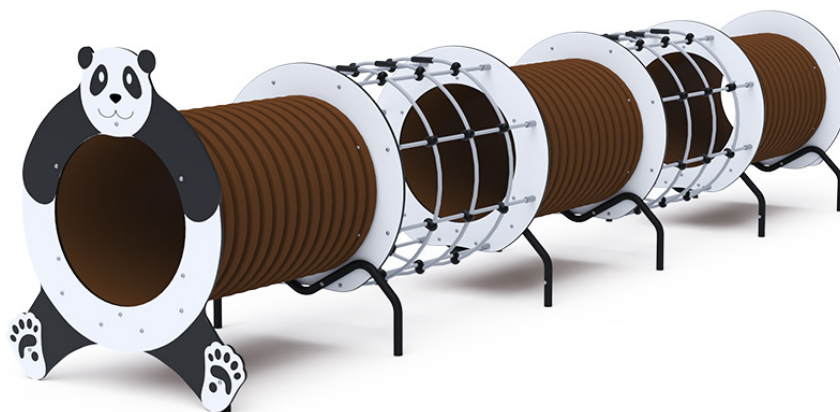

### Specifications

The Long tunnel play structure – Panda VVZ-TU003-2 is certified according to STN EN 1176

|                               |                                                                                                         |
|-------------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Age Group:</b>             | 3-14 years                                                                                              |
| <b>Product Dimensions:</b>    | 6.60 x 1.10 x 1.30 m (L x W x H)                                                                        |
| <b>Max. Fall Height:</b>      | up to 0.99 m                                                                                            |
| <b>Safety Surfacing Area:</b> | 9.70 x 3.90 m (according to STN EN 1176-1)                                                              |
| <b>Materials:</b>             | Galvanised and powder-coated steel, HPL, polypropylene rope, corrugated pipe, stainless steel fasteners |
