

Hanging Swing for Toddlers VVZ-VHP101-10-T

VVZ-VHP101-10-T Hanging Swing for Toddlers

The Hanging Swing for Toddlers, suitable for kindergartens and primary schools, is made of hot-dip galvanised steel finished with powder coating. Fasteners are stainless steel and covered with plastic protective caps for increased durability and safety. The structure design allows several seats to be installed in a row as needed. The VVZ-VHP101-10-T swing is certified according to the STN EN 1176 standard. A grass safety mat is recommended as the safety surfacing.

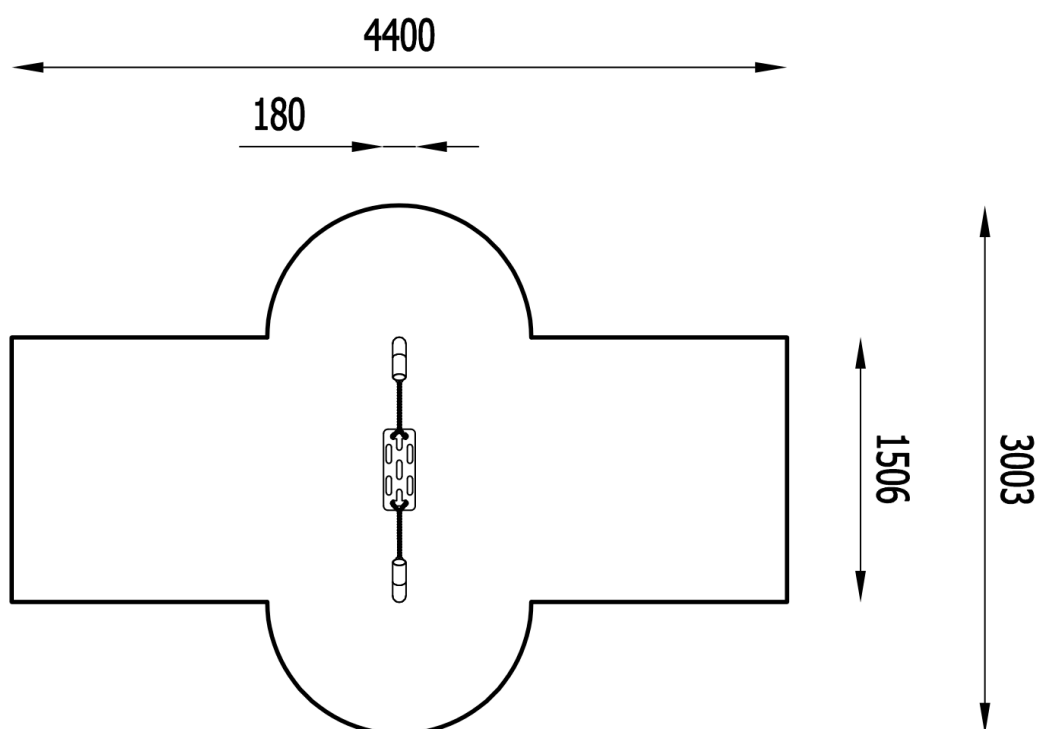

Specifications

The Hanging Swing for Toddlers VVZ-VHP101-10-T is certified according to STN EN 1176
