VVZ-VH005-15-T Hanging Swing

The swing with a Nest swing seat provides a spacious and comfortable surface for swinging while naturally supporting the development of balance and coordination. The large ergonomically shaped seat provides good support and allows comfortable use during shared play. A grass safety mat is recommended as the impact-attenuating surface. Stainless-steel chains and the steel structure with a durable surface finish provide high resistance to weather conditions for long-term outdoor use.
