

Double Hanging Swing VVZ-VH007-15-T

VVZ-VH007-15-T Double Hanging Swing

The double swing with one Standard seat and one Baby seat allows two children to swing at the same time and provides suitable seating for different age groups. The durable rubber Standard seat with aluminium reinforcement provides stable and comfortable seating, while the shaped Baby seat with a raised backrest and front safety restraint offers additional support for younger children. Swinging naturally supports the development of balance and coordination. A grass safety mat is recommended as the impact-attenuating surface. Stainless-steel chains and the steel structure with a durable surface finish provide high resistance to weather conditions for long-term outdoor use.

Specifications

The Double Hanging Swing VVZ-VH007-15-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	1.80 x 3.10 x 2.30 m (L x W x H)
Max. Fall Height:	up to 1.50 m
Safety Surfacing Area:	7.50 x 3.00 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, rubber, stainless steel fasteners and chains
Weight:	100 kg
