Four-Seat Hanging Swing
VVZ-VH010-15-T

VVZ-VH010-15-T Four-Seat Hanging Swing

The quadruple swing with two Standard seats and two Baby seats allows four children to swing at the same time and provides a suitable combination of seats for different age groups. The Standard seats provide stable and comfortable seating, while the Baby seats with raised backrests and front safety restraints offer additional support for younger children. Swinging naturally supports the development of balance and coordination. A grass safety mat is recommended as the impact-attenuating surface. Stainless-steel chains and the steel structure with a durable surface finish provide high resistance to weather conditions for long-term outdoor use.

Specifications

The Four-Seat Hanging Swing VVZ-VH010-15-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	1.80 x 6.20 x 2.30 m (L x W x H)
Max. Fall Height:	up to 1.50 m
Safety Surfacing Area:	7.50 x 6.00 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, rubber, stainless steel fasteners and chains
Weight:	175 kg
