

Sandpit 2 × 2 m VVZ-PD001-T

VVZ-PD001-T Sandpit 2 × 2 m

This maintenance-free sandpit with a surface area of 2 × 2 metres features a 10 mm thick perimeter HPL strip to prevent sand from spilling outside. Various geometric shapes are displayed on the strip. Four triangle-shaped seats, suitable for both children and parents, are located in the corners of the sandpit. The sandbox structure is made of galvanised and powder-coated steel. It is designed with long service life and safety in mind. The sandbox is supplied without sand as standard.
