

Themed playhouse – Shop VVZ-PD005-T

VVZ-PD005-T Themed playhouse – Shop

This themed playhouse designed as a small shop is an ideal play feature for developing children's imagination and mathematical skills. The playhouse, consisting of a pitched roof, a signboard, and a counter, is enhanced with a drawing board and a display panel illustrating the most common products. The structure of the play unit is made of galvanised and powder-coated steel. All panels are made of HPL material, which is UV-resistant, colourfast, non-toxic, and shatterproof. All fasteners are made of stainless steel and covered with plastic caps.
