Themed playhouse – Tent
VVZ-PD016-1-T

VVZ-PD016-1-T Themed playhouse – Tent

The tent-shaped themed playhouse is complemented by a climbing wall with climbing holds. The steel framework is weather-resistant thanks to hot-dip galvanisation and powder coating. All panels are made of HPL material with UV protection, which is colourfast, non-toxic, recyclable, and shatterproof. This eliminates the risk of injury to children from sharp edges or fragments.

Specifications
